

COMING SOON!

Annual Kindergarten Raffle

COVID Style

Please join us for our annual Kindergarten Raffle! Each year, Kindergarten uses the money raised to send students on field trips, to purchase new classroom furniture, games, manipulatives, and supplies for the classroom, to allow gifts/prizes for students, and so much more! Usually, we hold this during conferences each year to allow families to participate and see all of the raffles in person. Due to COVID, conferences were held virtually to help keep exposure down and our ED families safe. With that being said, we will be holding our annual Kindergarten Raffle virtually this year in a different style! The usual raffle will be held as silent auction to make things easier with no in person options. Please continue reading below for more information!

What: ED Kindergarten Online Silent Auction

When: April 26th-30th

Where: We Are East Dubuque Facebook Page

Who: All ED district families

How: Pictures and descriptions of each item(s) will be uploaded to the We Are East Dubuque Facebook page. We will list the original price value of each item(s) and starting bid with each image. We ask that bids go up in increments of **whole dollar amounts only**. You simply comment on the image you are bidding on with your price. On Friday, April 30th, we will close and finalize all bids at 6:00 P.M. and notify the winners. We will comment on each image and list the winning bidder. We will then reach out to the winners to set up a time to pick up their items. We ask that you pay for your items the day of pickup with cash or check only.

Raffles: All lists and descriptions of the donations are located on the back side of this flyer. Images will be available on the We Are East Dubuque Facebook page as well.
