**1. Call to order**

The East Dubuque Building & Grounds Committee met on Monday October 28, 2024, with board members Glen Foote and Don Kusssmaul. The meeting was called to order at 5:02.

**2. Discussion**

The Building and Grounds Committee along with Darren Sirianni and Grover Priebe listened to the FEH Architect and Grant Writer explain about a grant opportunity called the FEMA BRIC (building resilient infrastructure and communities) Not only would it serve as the infrastructure to a new elementary school, but also as a tornado shelter to the public within a half of a mile of it. This would be located adjacent to the JH/HS building.

**3. Adjourn:**

A motion was made to adjourn the meeting at 6:00pm by Kusssmaul and seconded by Foote.
