Yearly Subscription: \$69.99

Monthly Subscription: \$10.99

Parents, we are not going to be charging an Athletic Fee this year in an attempt to help offset the cost of this subscription. If you have already paid your child's fee for this year for Basketball (or multiple sports) and wish to get a refund, please let Mrs. Kessler in the office know of that decision. If you do not contact Mrs. Kessler, the money will be credited for next school year's fees. Any senior will be getting the fee refunded.

East Dubuque Schedule

According to what I can see, if we are scheduled to play at another school, those dates should also populate in this site. Just in case, we will put out a weekly schedule of which school(s) East Dubuque is playing.

There will be a couple of Junior High schools that have a separate JH gym that does not have this system in place. Mr. Rosenow will be communicating with you as those games come up with the method that will be used for you to view the game(s).

At this time, all schools have a policy that only home fans are going to be allowed. And that is only for those school(s) whose gym is big enough to work within the guidelines from the IHSA and IDPH. At East Dubuque, we will not have any fans for the first home games for each team next week. If everything goes smoothly with all of the safety protocols that we have to do for each game, then we will be able to allow a limited number of fans for our home games. We are going to allow 10 groups of 2 (from the same household) and those fans will have to sit in the top row of the bleachers, distanced from the next household, with masks, in order to meet the current guidelines. With coordination of the coaches, we will be coming up with a list of which parent(s) will be able to attend each of the succeeding home games. This is a fluid situation, and we may be revisiting soon if guidelines change.

Thank you and let's play ball!!
